

Advanced Family Law: Managing Family Financial Cases

July 10, 2020

School of Government, Chapel Hill, NC

Class description: This Judicial College Videoconference Course is intended for judges with experience presiding over family financial cases including equitable distribution, alimony and above guideline child support. The class will begin with a presentation on the fundamental principles of effective individual case management. Participants then will explore impediments to effective management in family cases and discuss strategies for resolving these complex matters without unnecessary delay.
